

Ignite Edge Marketing - Contractor Lead Generation

Why Most Contractors Struggle to Get Consistent Leads

Let's face it: word-of-mouth and referrals are great, but they only go so far. Relying on old methods like flyers or waiting for someone to find your business on Google without a strategy is costing you valuable jobs. The competition is fierce, and without an edge, you're invisible to the very customers who need your services.

Ignite Edge Marketing Has the Solution

We specialize in generating high-quality leads that are actively searching for contractors right now in your area. Using proven digital marketing tactics, we help contractors like you:

- Get Found Online with SEO-rich websites and landing pages tailored to your services
- Stand Out on Social Media with engaging, professionally managed profiles and content
- Capture Leads Instantly through custom-built landing pages and call-to-action forms
- Nurture Leads through targeted email and SMS campaigns that follow up for you
- Run Local Ads that put your business in front of homeowners who are ready to hire

Real Results for Real Contractors

We've helped contractors generate hundreds of qualified leads - roofing companies booking \$10K+ jobs weekly, plumbers expanding into new service areas, and handymen with calendars booked solid. With Ignite Edge Marketing, you don't chase leads - the leads come to you.
